

Massachusetts 2023 AP School Honor Roll Recognition

The AP School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening access.

The AP School Honor Roll, which replaces the previous AP District Honor Roll, offers schools recognition across four levels of distinction: Bronze, Silver, Gold, and Platinum. Schools on the AP School Honor Roll may also earn the AP Access Award, honoring schools that demonstrate a clear and effective commitment to equitable access to advanced coursework.

For a school to be recognized on the AP School Honor Roll, it must be located within the United States (including U.S. territories) or Canada and:

- Meet each of the following criteria anchored in research-based relationships between AP and college outcomes:
 - College Culture: 40% or more of graduating cohort took at least 1 AP Exam during high school.
 - College Credit: 25% or more of the graduating cohort scored a 3 or higher on at least 1 AP Exam during high school.
 - College Optimization: 2% or more of the graduating cohort took 5 or more AP Exams during high school. At least 1 of those exams was taken in 9th or 10th grade, so that students are spreading their AP experience across grades rather than feeling disproportionate pressure in any single year.
- Have full-time grade-12 enrollments. AP coordinators can update this information online in AP Registration and Ordering.

Schools can earn the additional AP Access Award if the percentage of AP Exam takers who are underrepresented minority and/or low-income students mirrors the school's overall student demographics.

| Silver | 16% | 9% |
| Gold | 9% | 6% |

School Honor Roll Criteria: 2023 Snapshot

The table below provides an overview of the School Honor Roll criteria, and displays the average percentage of 2023 graduating students in eligible schools for each:

| HONOR ROLL CRITERIA | AVERAGE ACROSS ALL ELIGIBLE SCHOOLS: MASSACHUSETTS | AVERAGE ACROSS ALL ELIGIBLE SCHOOLS: US AND CANADA |
|---|--|--|
| Took at least 1 AP Exam | 52% | 41% |
| Scored 3+ on at least 1 AP Exam | 35% | 25% |
| Took 5+ AP Exams, at least 1 in 9th or 10th grade ² | 9% | 8% |

Schools can see AP School Honor Roll status in **AP Score Reports for Educators**. Recognized schools will have access to download a custom celebration kit.

There is no annual application process for schools to be considered for recognition.

AP represents an opportunity for students to challenge themselves, earn college credit and placement, and potentially boost their grade point averages. These schools have shown that they can expand access to these college-level courses and still drive high performance — they represent the best of our AP program."

— TREVOR PACKER SENIOR VICE PRESIDENT AP & INSTRUCTION

Note that schools had the choice to "opt-out" of being publicly recognized on the AP School Honor Roll and/or AP Access Award, so the number of schools listed in this report may not match the number of schools who met the award requirements and received the award.

² Research finds that students can optimize many of APs benefits just by taking 1-2 AP courses per year, for a total of 5 APs in high school. Accordingly, the School Honor Roll criteria reflects this research, and this metric does not provide more weight for schools when students take more than 5 AP exams. More information can be found here.
