## Question 1

**Note:** Student samples are quoted verbatim and may contain spelling and grammatical errors.

### Overview

This task assessed writing in the interpersonal communicative mode by having the student write a reply to an email message. Students were allotted 15 minutes to read the message and write the reply. The response received a single holistic score based on how well it accomplished the assigned task. Students needed to be able first to comprehend the email and then to write a reply using a formal form of address. The reply needed to address all the questions and requests raised in the message, as well as ask for more details about something mentioned in the message.

The course theme for the email reply was Contemporary Life. The task required students to respond to Ms. Ludovine Berthe, the Director of the Community Youth Center in Geneva. Ms. Berthe got in touch with the student because the student had expressed an interest in participating in the center’s after-school tutoring program. Ms. Berthe explains that the Community Youth Center provides a non-profit after-school program for school children that includes personalized tutoring. The Center is recruiting high school students willing to give private lessons to the 10- to 12-year-old students at the Center. She asks the student in which subjects the student can help and why. She continues by asking when during the week the student is free. She closes the email by telling the student that she can provide further information if needed.

### Sample: 1A

#### Score: 5

This response demonstrates a strong performance in Interpersonal Writing. It maintains the exchange with a response that is clearly appropriate within the context of the task (“*J’ai toujours aimé aider les autres en leur donnant des cours*”). It provides all required information (responses to questions, request for details) with frequent elaboration (“*Être tuteur est vraiment quelque chose que je veut faire*”; “*De plus, je suis libre le jeudi et le vendredi pour faire du tutorat*”; “*Combien de lycéens faudra-t-il que j’enseigne à la fois?*”). It is also fully understandable, with ease and clarity of expression; occasional errors do not impede comprehensibility (“*...que je veut faire*”; “*Les époques de la Renaissance et du Moyen Age m’intèrèse le plus*”). Furthermore, the response uses varied and appropriate vocabulary and idiomatic language (“*Afin de répondre à vos questions*”). It demonstrates accuracy and variety in grammar, syntax, and usage, with few errors (“*Maintenant, permettez-moi de vous posez une question...*”). It demonstrates mostly consistent use of register throughout (“*Dans l’attente de votre réponse*”) and conventions appropriate for formal correspondence (“*Chère Madame Berthe*”). Finally, the response contains a variety of simple and compound sentences, and some complex sentences (“*J’ai de très bonnes notes et je suis un fan de l’histoire de France*”).

**Question 1 (continued)****Sample: 1B****Score: 3**

This response demonstrates a fair performance in Interpersonal Writing. It maintains the exchange with a response that is somewhat appropriate but basic within the context of the task. The response also provides most required information (responses to questions, request for details) (“...j'avais très forte dans l'Algebra et la Biologie, avec très bonnes notes dans les deux cours dans mon l'école”; “...je suis libre dans le vendredi et lundi”; “...il y a une minimum des heures chaque session...?”). It is generally understandable, with errors that may impede comprehensibility (“J'attende votre réponse avec heureuse”). Furthermore, the response contains vocabulary and idiomatic language which is mostly appropriate but basic (“une lycéenne”; “l'école”; “une session”). It demonstrates some control of grammar, syntax, and usage (“Je suis libre”; “J'ai une question”). The use of a register, however, may be inappropriate for the situation with several shifts. Even though there is partial control of conventions for formal correspondence (e.g., greeting, closing), these may lack cultural appropriateness (“Chère Mme Berthe”; “Sincèrement”). Finally, the response consists of simple and a few compound sentences (“Parce que j'avait des bonnes notes dans les deux, je suis plus que préparer pour aider des élèves pour vous service de tuteur”).

**Sample: 1C****Score: 1**

This response demonstrates a poor performance in Interpersonal Writing. The response unsuccessfully attempts to maintain the exchange. It provides little required information (“Le service d'aide est très interessant du moi”). It is barely understandable, with frequent or significant errors that impede comprehensibility (“Le opportunité tu aide peuple et aide des élèves est bonne”; “J'ai voulois tu avancé les activités les sujet”). It contains very few vocabulary resources (“Merci pour les e-mail”). Furthermore, there is little control of grammar and syntax (“J'ai suffre avec les sujets j'ai n'as Pas compris”). The response shows minimal attention to register (“Chére Madame/Cher Monsieur”). Finally, the response contains very simple sentences or fragments (“...j'ai aide Peuple nous suffre aussi”).
