1. **SIGN IN**
   Sign in to myap.collegeboard.org with your College Board account. This is the same login you use to access your AP scores, PSAT/NMSQT® scores, or register for the SAT®. If you don’t have a student account, click the Create Account link.

2. **JOIN A COURSE**
   Click the Join a Course or Exam button. Before you do this, make sure you have the six-character join code from your teacher. You’ll need it to join a class section.

3. **SUBMIT YOUR JOIN CODE**
   Enter the join code your teacher gave you. Click Submit.

4. **VERIFY COURSE INFORMATION**
   Make sure the information that comes up is for the course you’re taking. If it is, click Yes.
5 FILL OUT REGISTRATION INFORMATION
The first time you enroll in an AP course in My AP, you’ll provide registration information. It’s important to be accurate. You only have to do this once. Check your information that’s already shown and provide the remaining information. If your name, middle initial, or date of birth needs correcting, contact AP Services for Students after completing your registration. If you make changes to any other information in your AP Profile, you’ll also need to sign into your College Board account to make the same changes.

6 CONGRATULATIONS!
You’re enrolled in your AP course. If you’re taking multiple AP courses, repeat steps 2-4 for each course you’re taking this year, using the unique join code for each course.

7 ACCESS AP CLASSROOM RESOURCES
Now that you’re enrolled, click Go to AP Classroom to access resources for your course. Click Assignments to see assignments from your teacher.

8 WATCH AP DAILY VIDEOS
In AP Classroom, you’ll see AP Daily videos for your course topics and skills. Use them to preview, clarify, or review what you’re studying in class. You can watch on your own or as assigned by your teacher.

College Board Account Tips
You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don’t already have an account, please sign up at collegeboard.org/register. A family member shouldn’t create an account for you. Keep your account information in a safe place only you can access.

DO YOU ALREADY HAVE AN ACCOUNT?
All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or BigFuture® Opportunity Scholarships, you’re all set.

IF YOU HAVE TROUBLE SIGNING IN TO YOUR ACCOUNT
• If you can’t remember your login information, follow the Need help signing in? links at myap.collegeboard.org.
• If a family member set up your account, ask them for the login information. You may want them to sit with you while you sign in.
• If you can’t remember the answers to your security questions, see if a family member has them.
