
College Board **AP Computer Science** Female Diversity Award

The College Board AP[®] Computer Science Female Diversity Award recognizes schools that are closing the gender gap and expanding young women's access to computer science coursework in AP Computer Science Principles (AP CSP) and AP Computer Science A (AP CSA). Specifically, College Board is honoring schools that have either reached 50% or higher female examinee representation in one of or both AP computer science courses, or whose percentage of the female examinees met or exceeded that of the school's female population, a total of 1,119 schools are being recognized for their work toward equal gender representation during the 2019-2020 school year.
