AP Coordinators and Proctors:

Update: Managing the Exam Break

In the 2020-21 AP Exam Instructions, you’ll see information about the standard 10-minute break between Sections I and II of the paper-and-pencil AP Exams.

This year, local health and safety guidelines may require that only a limited number of students may access the restroom or hallways at the same time. In such cases, you may elect to double the time of the scheduled breaks (including accommodated breaks) to ensure that students can access the restroom or hallway in an orderly fashion.

As per standard AP policy, the break must be monitored. Please note that the decision to lengthen the break is optional, does not need to be applied to every testing room uniformly, and is not required to administer AP Exams. If your school chooses to provide a longer break, you’re not required to use all the additional time.

SECTION I: Multiple Choice

Do not begin the exam instructions below until you have completed the General Instructions.

Make sure you administer the exam on the scheduled date and begin the exam at the designated time. Remember, you must complete a seating chart for this exam. See pages 273–274 for a seating chart template and instructions. See “Seating Policy” in Part 2 of the 2020-21 AP Coordinator's Manual for exam seating requirements.

If you are giving the exam during Administration 1, say:
It is Tuesday afternoon, May 11, and you will be taking the AP Latin Exam.

If you are giving the exam during Administration 2, say:
It is Friday morning, May 21, and you will be taking the AP Latin Exam.

If you are giving the exam during Administration 3, say:
It is Friday morning, June 4, and you will be taking the AP Latin Exam.

Look at your exam packet and confirm that the exam title is “AP Latin.” Raise your hand if your exam packet contains any other exam title and I will help you.

Once you confirm that all students have the correct exam, say:
In a moment, you will open the exam packet. By opening this packet, you agree to all of the AP Program's policies and procedures referenced in the AP Exam Terms and Conditions.

You may now remove the shrinkwrap from the outside only of your exam packet. Do not open the Section I booklet; do not remove the shrinkwrap from the Section II booklets. Put the white seals and the shrinkwrapped Section II booklets aside. . . .

Carefully remove the AP Exam label found near the top left of your exam booklet cover. Place it on the front of your answer sheet on the light blue box near the bottom that reads “AP Exam Label.” . . .

If students accidentally place the exam label in the space for the AP ID label or vice versa, advise them to leave the labels in place. They should not try to remove the label; their exam can still be processed correctly.

Now turn over your answer sheet to the side marked page 2 and look at Item I at the top of the page. Print the name of this exam, the exam form, and the form code.

The exam form and the form code are located on the front cover of the Section I booklet in the lower right corner; ignore the large number under these two items—it is not part of the form or form code.

Look up when you have finished Item I. . . .

When students have completed Item I, say:
Listen carefully to all my instructions. I will give you time to complete each step. Please look up after completing each step. Raise your hand if you have any questions.

Give students enough time to complete each step. Don’t move on until all students are ready.

If you are giving the exam during Administration 1 or 2, say:
Read the statements on the front cover of the Section I booklet. . . .
If you are giving the exam during Administration 3, say:

Read the statements on the front of the Section I booklet and fill in today’s date in the first statement.

Sign your name and write today’s date.

Now print your full legal name where indicated.

Does anyone have any questions?

Turn to the back cover of your exam booklet and read it completely.

Give students a few minutes to read the entire back cover.

Are there any questions?

You will now take the multiple-choice portion of the exam. You should have in front of you the Section I: multiple-choice booklet and your answer sheet. You may never discuss the multiple-choice exam content at any time in any form with anyone, including your teacher and other students. If you disclose the multiple-choice exam content through any means, your AP Exam score will be canceled.

You must complete the answer sheet using a No. 2 pencil only. Mark all of your responses on page 2 of your answer sheet, one response per question. The answer sheet has circles marked A–E for each question. For Latin, you will use only the circles marked A–D. Completely fill in the circles. If you need to erase, do so carefully and completely. No credit will be given for anything written in the exam booklet. Scratch paper is not allowed, but you may use the margins or any blank space in the exam booklet for scratch work.

Your score on the multiple-choice section will be based solely on the number of questions answered correctly.

Are there any questions?

You have one hour for this section. Once final time is called for Section I, stop working immediately.

Open your Section I booklet and begin.

Note Start Time _____________. Note Stop Time _____________.

Check that students are marking their answers in pencil on their answer sheets and that they have not opened their shrinkwrapped Section II booklets. Make sure they’ve placed their AP ID label sheets under their chairs.

After 50 minutes, say:

There are 10 minutes remaining.

After 10 minutes, say:

Stop working. Close your exam booklet and put your answer sheet faceup on your desk. Make sure your AP ID label and AP Exam label are on your answer sheet. Sit quietly while I collect your answer sheets.

Collect an answer sheet from each student. Check that each answer sheet has an AP ID label and an AP Exam label.

After all answer sheets have been collected, say:

Now you must seal your exam booklet using the white seals you set aside earlier. Affix one white seal to each area of your exam booklet cover marked “PLACE SEAL HERE.” Fold each seal over the back cover. When you have finished, place the booklet faceup on your desk. I will now collect your Section I booklet.

Collect a Section I booklet from each student. Check that each student has signed the front cover of the sealed Section I booklet.
There is a 10-minute break between Sections I and II.

**When all Section I materials have been collected and accounted for and you are ready for the break, say:**

Please listen carefully to these instructions before we take a 10-minute break. Get your AP ID label sheet from under your chair and put it on your desk. You must leave your shrinkwrapped Section II packet and your AP ID label sheet on your desk during the break. All items you placed under your chair at the beginning of this exam must stay there. You are not permitted to open or access them in any way. You are not allowed to consult teachers, other students, notes, textbooks, or any other resources during the break. You may not make phone calls, send text messages, check email, use a social networking site, or access any electronic or communication device. You may not leave the designated break area. Remember, you may never discuss the multiple-choice exam content with anyone, and if you disclose the content through any means, your AP Exam score will be canceled. Are there any questions? . . .

You may begin your break. Testing will resume at ______________.

Make sure students understand where the designated break area is.

**IMPORTANT:** Both the exam room and students in the designated break area must be monitored.

At the start of the break, walk around the room to ensure all Section II books are accounted for on students’ desks. Immediately contact the Office of Testing Integrity (OTI) if any book is missing. Testing must not resume until the book is located or OTI is contacted. (See contact information for OTI on the inside front cover.)

**SECTION II: Free Response**

**After the break, say:**

May I have everyone’s attention? Please look at your AP ID label sheet and double-check that your name is printed at the top to ensure you’ve returned to the correct seat . . .

**Confirm that students have their AP ID label sheet, then say:**

For this section of the exam you will use a pen with black or dark blue ink to write your responses. Does everyone have a pen? . . .

You may now remove the shrinkwrap from the Section II packet, but do not open any booklets until you are told to do so . . .

You should now have in front of you:

- your AP ID label sheet,
- the orange Section II: Free Response, Questions booklet, and
- the Section II: Free Response booklet with a shaded block of important identification information on the front cover. This booklet is where you’ll write your responses.

**If you are giving the exam during Administration 1 or 2, say:**

First, look at the front cover of the orange Questions booklet. Read the bulleted statements. Look up when you have finished . . .

**If you are giving the exam during Administration 3, say:**

First, look at the front cover of the orange Questions booklet and fill in today’s date in the first bulleted statement . . .

Read the remaining bulleted statements. Look up when you have finished . . .
Read the last statement . . .
Print the first, middle, and last initials of your legal name in the boxes and print today’s date where indicated. This constitutes your signature and your agreement to the statements on the front cover . . .

Now look at the front cover of the Section II: Free Response booklet and complete Items 1 through 3 under “Important Identification Information.” For Item 3, your school code is printed at the top right of your AP ID label sheet . . .

Give students time to complete Items 1 through 3.

Read Item 4 . . .
Write today’s date in Item 5—include month, day, and year.

Now read the bulleted items under “As you complete this Free Response booklet.” . . .

Are there any questions? . . .
Now carefully remove the AP Exam label from the top left of your orange Questions booklet and place it in the shaded box on the top left of your Free Response booklet . . .
Now take an AP ID label from your label sheet and place it on the shaded box marked “AP ID Label” at the bottom of your Free Response booklet. If you don’t have any AP ID labels, write your AP ID in the box. Look up when you have finished . . .

If students accidentally place the exam label in the space for the AP ID label or vice versa, advise them to leave the labels in place. They should not try to remove the labels; their exam can still be processed correctly.

Now I will collect your AP ID label sheet. Leave your label sheet on your desk. While I collect them, read the information on the back cover of the orange booklet. Do not open any booklets until you are told to do so. Look up when you have finished . . .

At this point, collect the AP ID label sheet from every student.

When you’ve finished collecting AP ID label sheets, say:

Are there any questions? . . .

The total Section II time is two hours. This includes a 15-minute reading period. The reading period is designed to provide you with time to develop thoughtful, well-organized responses. You are advised to take advantage of the reading period to plan what you will write. You may begin writing your exam responses before the reading period is over. Are there any questions? . . .

You are responsible for pacing yourself and may proceed freely from one question to the next. Be sure you answer all five questions.

You may make notes in the orange booklet, but no credit will be given for any work written in the orange booklet.

You must write your responses in the free-response booklet. You must use a pen with black or dark blue ink. Begin your response to each question at the top of a new page in the free-response booklet. Do not skip lines.

At the top of each page in your free-response booklet, you must fill in the circle that indicates the question number you are answering on that page. If you fill in the wrong circle, cross it out neatly with an X and fill in the correct circle.

If you run out of space, raise your hand.

Once final time is called, stop working immediately.
Are there any questions? . . .
You may now open both booklets and begin the 15-minute reading period.

Note Start Time ____________ . Note Stop Time ____________ .

After 15 minutes, say:
The reading period is over. You have 1 hour and 45 minutes remaining to complete Section II.

Note Start Time ____________ . Note Stop Time ____________ .

Make sure students are writing their responses in their free-response booklet, not in their orange booklet.

If a student runs out of space and raises their hand, give them extra paper and instruct them to write the following on the top of each sheet they use:

- their AP ID,
- the exam title, and
- the question number they are working on.

They must not write their name.

After 1 hour and 35 minutes, say:
There are 10 minutes remaining.

After 10 minutes, say:
Stop working and close both booklets. Place them faceup on your desk. Keep your booklets separate; don’t put one inside the other . . . .

If any students used extra paper for a question in the free-response section, have those students staple the extra sheet(s) to the first page corresponding to that question in their free-response booklets. Complete an Incident Report after the exam and return these free-response booklets with the extra sheets attached in the Incident Report return envelope (see page 270).

Then say:
Remain in your seat, without talking, while the exam materials are collected.

Collect a free-response booklet and an orange booklet from each student. Check for the following:

- Free-response booklet front cover
  - The student placed the AP Exam label on the shaded box at the top,
  - Placed an AP ID label on the shaded box at the bottom, and
  - Completed the “Important Identification Information” area.

Note: If any student placed the labels in the wrong boxes, it’s OK. Don’t try to remove the labels, because this could damage the booklets or the labels. The student’s exam materials can still be processed as long as both labels are on the booklet.

- The student wrote responses in the free-response booklet and not in the orange booklet.
  - If any students wrote their responses in the orange booklet instead of the free-response booklet, refer to the Administration Incidents table for instructions. (See “Answers written in an orange booklet instead of in the free-response booklet” on page 269.)

- Orange Questions booklet front cover
  - The student printed their initials and today’s date.
The orange booklets must be returned with the rest of your exam materials. Keep the orange booklets separate from the free-response booklets. Do not place free-response booklets inside the orange booklets or vice versa.

Then say:

I have a few last important reminders:

You can have one AP score report sent for free. June 20 is the deadline to indicate or change the college, university, or scholarship program that you’d like to receive your free score report. This needs to be done through “My AP.”

If you are giving the exam during Administration 1, say:
You may not discuss or share the free-response exam content with anyone unless it is released on the College Board website in about two days. Your AP Exam scores for this year will be available online in July.

If you are giving the exam during Administration 2, say:
None of the content in this exam may ever be discussed or shared in any way at any time. Your AP Exam scores for this year will be available online in July.

If you are giving the exam during Administration 3, say:
None of the content in this exam may ever be discussed or shared in any way at any time. Your AP Exam scores for this year will be available online by mid-August.

When all exam materials have been collected and accounted for, return to students any electronic devices you may have collected before the start of the exam.

Then say:

You are now dismissed.

After-Exam Tasks

Return the AP ID label sheets to the AP coordinator so the label sheets can be organized for each upcoming exam administration. Keep in mind that the schedule printed on the label sheet may not reflect recent changes to a student’s exam schedule. If you need to confirm a student’s exam schedule, reference the AP coordinator’s master exam list.

Be sure to give the completed seating chart to the AP coordinator. Schools must retain seating charts for at least six months (unless the state or district requires that they be retained for a longer period of time). Schools should not return any seating charts in their exam shipments unless they are required as part of an Incident Report.

NOTE: If you administered exams to students with accommodations, review Part 2 of the 2020-21 AP Coordinator’s Manual and the 2020-21 AP SSD Guidelines for information about completing the Nonstandard Administration Report (NAR) form and returning these exams.

The exam proctor should complete the following tasks if asked to do so by the AP coordinator. Otherwise, the AP coordinator must complete these tasks:

- Complete an Incident Report for any students who used extra paper for the free-response section. (Incident Report forms are provided in the coordinator packets sent with the exam shipments.) These forms must be completed with a No. 2 pencil. It is best to complete a single Incident Report for multiple students per exam subject, per administration, as long as all required information is provided. Include all exam booklets with extra sheets of paper in an Incident Report return envelope (see page 270).
- Return all exam materials to secure storage until they are shipped back to the AP Program. (See “Storing Exam Materials” in Part 2 of the 2020-21 AP Coordinator’s Manual for more information about secure storage.)
