

Telephone Outreach and PA Announcement Scripts

Let students and parents know that AP scores will be online.

Automated Telephone Outreach

Many schools and districts have access to automated outbound call services to students and parents. Here is a sample message you can use and customize to let them know about AP[®] Online Scores for Students:

<<your school name>> is calling to remind all AP students and their parents that AP scores will be available online in July. To get scores, students must sign up for a College Board account by going to apcore.org. We encourage students to take this step now, so they'll be ready to access their AP scores in July. For more information, go to apcore.org.

PA Announcement Scripts

Script #1

This message is for all our <<your school name>> AP students. In July, your AP scores will be available online. To get your AP scores, you must sign up for a College Board account at apcore.org if you don't already have one. Again, you will get your AP scores online in July, so we encourage you to sign up for a College Board account today.

Script #2

AP students: Here's an important reminder. Your AP scores will be available online in July. To get your scores, you must sign up for a College Board account at apcore.org if you don't already have one. Again, AP scores will only be available online, so we encourage you to sign up for a College Board account today.

Thank you for your help in getting the word out to students and families about AP scores. For more information and to access additional resources, including prewritten tweets and Facebook posts, visit collegeboard.org/shareap.
