

Get Your **AP** Scores Online in July

1. EXAM TIME: **FILL IN**

your AP[®] answer sheets carefully and consistently to prevent delays in score access.

- Especially your name, date of birth, sex, mailing address, and email address.

2. BEFORE JULY: **SIGN UP**

for a College Board account at collegeboard.org/register.

- It's best to provide the same information on your College Board account and your AP answer sheet.
- You may already have an account—try signing in to confirm. You should also double-check that the information you put on your answer sheet matches what's in your account, especially if you've recently changed your email address.
- If you've forgotten your username or password, you can recover them on the website. You shouldn't create a duplicate account.

3. IN JULY: **REMEMBER**

the following information to access your scores:

- Your College Board account username and password.
- Your AP number (or student ID number if you provide it on your AP answer sheet).

4. GET YOUR SCORES: **LOG ON**

at apscore.org.

- Check apscore.org to find the exact date when you'll be able to access your scores.
- Look for a reminder in July at the email address you put on your AP answer sheet.
