Quick Tips

Navigation:

Avoid using the Back button on your browser to navigate the system. Instead, use the navigation bar to go back to your home page:

...and use the Page Up/Page Down links at the bottom of the reports:

Report Years:

Reports for multiple exam years are available. To see previous years' reports, select from the dropdown menu at the top right of your home page:

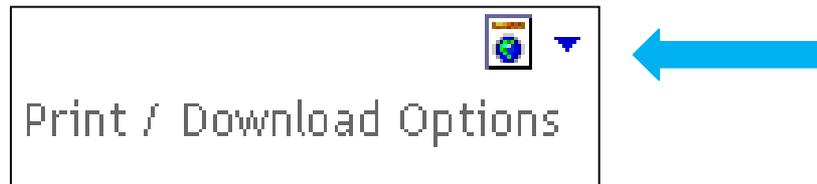

Exporting Data

- In addition to viewing reports in your Web browser, you can view and export reports in PDF and Excel (2007, 2002 and 2000) formats.
- ✓ **Best Practice:** Customization and filtering options are available through the website, but exporting data gives you the freedom to customize and filter data in additional ways.
- ▶ **More best practices** for using online score reports are at www.collegeboard.org/apcorestips.

Quick Tips: Exporting Data

To export or print:

Click the icon above “Print/Download Options” at the top right of the report, and then select the format:

PDF is the format to select in order to print. Export the report as a PDF, and then print the PDF. (Avoid using your browser’s Print function to print the HTML reports.)

Internet Explorer Users:

When selecting to view reports in PDF or Excel format, you may need to press the Control key **before** clicking the Print/Download icon. (When downloading the student datafile, press Control before clicking “Download File.”) Do not release the key until **after** the file has downloaded.

AP Instructional Planning Report

Overview:

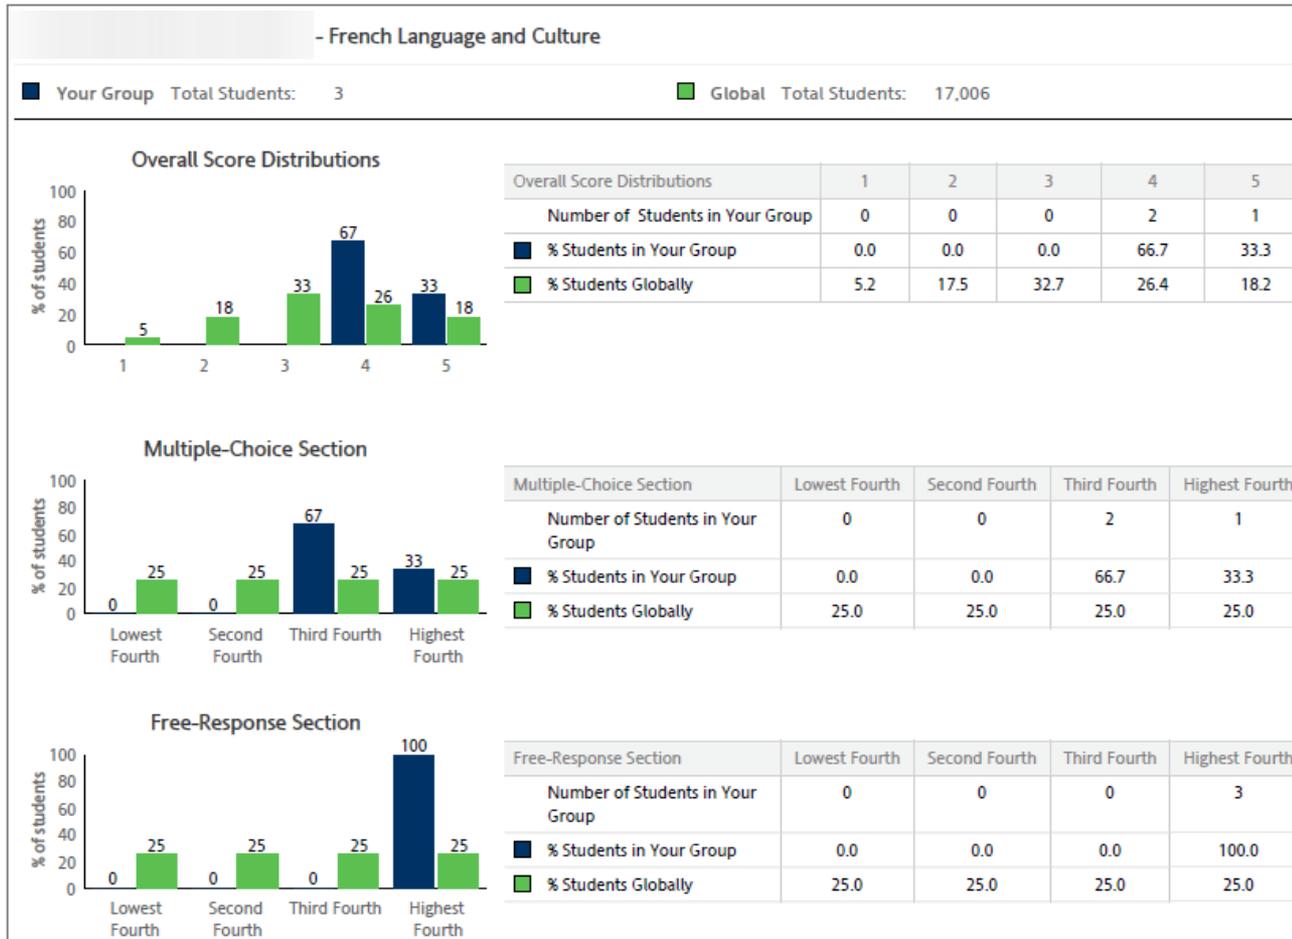

- Subject-specific report showing the performance of students on the multiple-choice and free-response sections and on specific topics within that AP Exam, compared to all students.
- AP teachers have access to this report:
 - Helps target areas for increased attention and focus in the curriculum
 - Helps guide course planning and professional development.
- Available by section number if your school designated these on students' answer sheets during the exam administration.

Student Scores

AP scores, as defined below, signify how qualified students are to receive college credit or placement. Colleges and universities, not the College Board, establish their individual credit and placement policies.

Exam Year	Exam Name	Score	Event Code*	Event Description*
2010	Calculus AB	5		
2010	United States History	4		
2010	World History	4		

AP Score Scale: 5 = Extremely Well Qualified 4 = Well Qualified 3 = Qualified 2 = Possibly Qualified 1 = No Recommendation

* Sometimes AP Exam scores include an additional message explaining the score. For instance, if an exam is still in the process of being scored, and the score is delayed, an event code will appear in the table above.

AP Scholar Awards

The AP Program offers several levels of AP Scholar Awards to recognize students who demonstrate outstanding college-level achievement through AP courses and exams. If the student earned an AP Scholar Award for this year's exams, the award will appear below beginning in September.

Award Year	Award Description

Student Datafile

- A downloadable .csv file containing student score report data for each AP student who tested this year.
 - Data can be uploaded to other systems for internal analysis and planning.
 - Same data previously available in the CD that schools could order for a fee.
- ▶ **More information** about downloading and formatting the student datafile is at www.collegeboard.org/apdatafile

AP Equity and Excellence Report

- Displays:
 - the percentages of your school's entire 10th, 11th and 12th grade classes who scored a 3 or higher on at least one AP Exam
 - the percentage of the senior class that scored a 3 or higher on at least one AP Exam during high school (Graduating Class Summary)
 - Helps situate success on the AP Exam within an overall context of equity and access.
- ▶ **Tip:** To see these data, submit your school's enrollment counts by grade level when first signing in to the exam ordering site in the spring.

High School ()		
Group 	Percentage	How is this calculated?
Graduating Class Summary	45.9	Number of your school's seniors who scored 3 or higher on at least one AP Exam at any point during high school divided by the total number of your school's seniors.
12th Grade	44.2	
11th Grade	29.4	
10th Grade	14.9	Number of AP students per grade level who scored 3 or higher on at least one AP Exam this year divided by the total number of students in each grade.
